

WHAT PROVIDERS NEED TO KNOW ABOUT PREGNANCY AND NICOTINE REPLACEMENT THERAPY.

Make sure your patients have the best treatment for their tobacco dependence. Quit Now Indiana must have a provider authorization for NRT during pregnancy. We offer three tools for providers to pre-authorize.

FAX REFERRAL

Fax Referral: Please check the box to Pre-Authorize NRT.

Use this section to pre-authorize NRT	
*Note: As patients have different benefits, using this form does not guarantee they will get free quit medications.	
Please check the box <input type="checkbox"/> I authorize use of any modality of NRT for which my patient has coverage at dosage consistent with FDA to Pre-Authorize NRT: <input type="checkbox"/> Approved package labeling.	
Provider's name (Print)	Provider's signature

ONLINE PORTAL

Online Portal: Please check the box to Pre-Authorize NRT.

If your patient has any health conditions, use this section to pre-authorize NRT
* Note: as patients have different benefits, using this form does not guarantee they will get free quit medications.
* NRT Pre-Authorization
<input type="radio"/> No
<input type="radio"/> Yes

E-REFERRAL

e-Referral: If you use this tool, the patient will receive a letter from QNI to submit to the provider for a signature and must return it to QNI with the provider's authorization.
